OK! Tony you are a go. Please continue to coordinate with Johanna. She will provide you with the details for travel. Once, both of you are on ground I will talk to you and your team mate. However, Johanna will be the Lead for the team on the ground. Reach back to me if you need to. We are waiting to hear back from Wendy Adams. On another note, I'm glad you are able to deploy. You and Wendy are well respected in this community and I feel folks will talk to you. So, thank you for being able to Serve and I know you will do a great job.

Johanna also this way also.

Good all,

Region VII has requested the CISM/PEER Support assistance at the Gold King Mine Site in Durango, CO. I've had a good conversation with Johanna this morning and she expressed her concerns about the members that we deploy. I respect this because it gives me a good indication as to the culture we are about to embrace.

Region VII would like to have a two man team present as early as Saturday, August 15. That means someone has to travel today or on the plane Saturday.

Johanna has reached out to two members but I need to check the availability of this group.

# Personal Matters/Ex. 6

Please get back to me and Johanna ASAP.

Thanks to all of you for understanding the need and the will to serve.
